

ADVANCED RELOADING DRILL @12FT

Need 10 rounds and 2 magazines. Fill 1 magazine with 3 rounds, other with 2 rounds. Place the magazine with 2 rounds on the table or in a spare magazine holster. Hold pistol at the high ready, when ready push out firing 3 rounds into target 1. Drop magazine reload fire 2 rounds into target 2. Reload both magazines with the same round count and run drill again but reverse targets.
